

INTERNATIONAL COMPETITION

**GRANTS
OFFERED TO YOUNG
CREATIVE MINDS!**

Since 2004, Philips Lumec's "Concept Lumière Urbaine" (CLU) strives for excellence by enhancing the conscientious integration of product plastic quality, technological advancement in outdoor lighting and respect of the environment.

The CLU Foundation is open to all students and young professionals with up to 5 years experience and operating in industrial design, urban planning, environmental design, engineering, architecture and landscape architecture.

**WHY TEACHERS
SHOULD JOIN?**

- To stimulate the creativity of their students.
- To put into practice the knowledge acquired throughout their academic training.
- To meet the challenge of the mandate to promote aesthetical, technological and environmental excellence.

**WHY THE STUDENTS AND
YOUNG PROFESSIONALS
SHOULD TAKE PART?**

- For the opportunity to showcase their potential before professionals of the industry
- For a chance to win one of the three grants totaling \$ 5 000
- To take advantage of an international showcase through the Philips brand awareness.

*** You are curious to glimpse at the creativity of our past winners?**
