Congratulations to our laureates Outdoor Lighting Grants

OBJECTIVE OF THE CLU

The Lumeç "Concept Lumière Urbaine de Lumeç" (CLU) aims to encourage emerging designers to develop innovative lighting concepts within an exterior public space. Grants are awarded based on merit by the Lumeç CLU committee. This committee is composed of dedicated professionals within the Quebec community of creators and designers, and aims at social harmony by the quality of the built environment. Laureates were selected from all applications received.
